

## PAPUA NEW GUINEA UNIVERSITY OF TECHNOLOGY

Are you a visionary academic leader passionate about excellence in teaching, research, and community service? The Papua New Guinea University of Technology (PNGUoT) is seeking a dynamic and experienced individual to join our team as the **Dean of the Faculty of Sciences**.

### FACULTY OF SCIENCES

The Faculty of Sciences at PNGUoT comprises the **Schools of Applied Physics, Mathematics & Computer Science**, and **Applied Sciences**.

#### About the Role

The Dean will provide leadership in strategic planning, faculty appointment, budgetary and administrative oversight, stewardship and development, and multidisciplinary partnerships. Reporting to the **Pro Vice Chancellor Academic**, the Dean will play a pivotal role in shaping the future of the faculty and ensuring international benchmarking/accreditation of all programs.

#### Key Responsibilities

- Lead academic planning and policymaking to enhance teaching, learning, and research.
- Drive accreditation processes to ensure all programs meet international academic standards.
- Foster excellence and integrity in education, research, and community engagement.
- Drive partnerships and collaboration with industry, government, and academic institutions to expand research opportunities.
- Oversee budget and financial resource management to support faculty growth and sustainability.
- Develop and implement strategies to attract high-caliber faculty and staff, ensuring diversity and inclusiveness.
- Liaise with industries/agencies/Gov Departments to secure student PWE placements.

#### What We Are Looking For

- **Qualifications:** A Doctoral degree in a discipline within the Faculty of Sciences from a recognized university.
- **Experience:** Minimum **15 years** in a similar leadership role with a distinguished academic or industry track record.
- **Skills & Attributes:**
  - Strong leadership skills, including organizational and team building, decision-making, and negotiation.
  - Experience in strategic planning
  - Capability to inspire faculty with diverse interests
  - Effective written and verbal communication abilities.

- Expertise in research techniques and policy formulation.
- Proven capability in resource management and funding acquisition.
- Proven track record of developing multidisciplinary programs and fostering an internationally focused educational experience for students, with a commitment to global partnerships.
- Prepared to execute the Institute's strategic plan.
- Skilled in fiscal management and resource allocation.

## **Conditions of Service**

Base Salary Range: Professor PGK95,366 - PGK116,558 per annum

Base DMA Range: PGK43,069 - PGK74,653 per annum

***DMA = Domestic Market Allowance***

***(Level of appointment depends upon qualification and experience)***

## **Application Procedure**

Detailed application with curriculum vitae including certified copies of qualifications, names and addresses including email addresses, phone numbers of three (3) current referees including one from past/present employer, if any, should be sent to the address below:

**The Executive Director - Human Resources  
PNG University of Technology  
Private Mail Bag  
Lae, 411  
Papua New Guinea**

Applications must be compiled and sent as one PDF file to [recruitment@pnguot.ac.pg](mailto:recruitment@pnguot.ac.pg), indicating their earliest availability for the appointment.

## **PLEASE NOTE**

- Applications are open to nationals and non-citizens working **ONLY** in PNG.
- Deadline for all applications is **15<sup>th</sup> of April 2025**.
- Only shortlisted applications will be acknowledged.
