

ENTRY REQUIREMENTS BY COURSE

The university offers a variety of undergraduate degree programs. This is a summary of the undergraduate programs and their entry requirements. Entry into all programs are at Grade 12 PNG Secondary School or equivalent level. Applicants are required to have completed secondary education or equivalent from a recognized institution. Admission to the academic Programs is very competitive and potential students are requested to read this document very carefully. Admissions into your preferred program of study will depend entirely on your performance and availability of spaces. The University accepts applications from both school leavers and non-school leavers.

• School Leavers

Current Grade 12 will apply through the DHERST National Online Application System. For more information on [NOAS](#), contact the Department of Higher Education Research Science & Technology.

Note: *The STAT-P aptitude test is compulsory for all school leavers intending to apply for any program offered at the PNG University of Technology. Your STAT-P score will be used together with your grade 12 final results for selection. For more information on STAT-P,*

please contact: stat-p@pnguot.ac.pg

• Non-School Leavers

Applications for Non-School Leavers open in June and close at the end of July each year. Detailed information on the online application will be available online when applications open. All applications will go through the selection process and only successful candidates will be short-listed to sit the entrance exam. Acceptance and admission into the preferred program of study will depend entirely on the performance of the entry exam and the availability of space. Intending students must apply online through the university website: www.unitech.ac.pg. The NSL Entrance Exams are conducted in the following test centres:

• Goroka • Kimbe • Kokopo • Kuinga • Lae • Mt. Hagen • Port Moresby • Wewak

Note: *That NSL do not need to take the STAT-P Test.*

FACULTY OF ENGINEERING

SCHOOL OF CIVIL ENGINEERING

The School of Civil Engineering offers a four-year undergraduate degree program; **Bachelor of Engineering in Civil Engineering.**

Entry Requirement: Minimum grades of "B" or better in L&L, Physics, Advance Math and Chemistry + Total STAT-P scores are required.

Intake Quota: SL-36 | NSL-10 | INTL-4

SCHOOL OF ELECTRICAL & COMMUNICATION ENGINEERING

The School of Electrical and Communication Engineering offers two undergraduate degree programs.

i. **Bachelor of Engineering in Electrical Engineering (Communication)**

ii. **Bachelor of Engineering in Electrical Engineering (Power)**

Entry Requirement: Minimum grade of "B" or better in L&L, Physics, Advance Math and Chemistry & Total STAT-P scores are required.

Intake Quota: SL-50 | NSL-5 | INTL-5

SCHOOL OF MECHANICAL ENGINEERING

The School of Mechanical Engineering offers an undergraduate degree program - **Bachelor of Engineering in Mechanical Engineering.**

Entry Requirement: Minimum grades of "B" or better in L&L, Physics, Advance Math and Chemistry & Total STAT-P scores are required. **Intake Quota:** SL-35 | NSL-5 | INTL-5

SCHOOL OF MINING ENGINEERING

The School of Mining Engineering offers two four-year undergraduate degree programs.

i. **Bachelor of Engineering in Mining Engineering**

ii. **Bachelor of Engineering in Mineral Processing Engineering**

Entry Requirement: Minimum grades of "B" or better in L&L, Physics, Advance Math and Chemistry & Total STAT-P scores are required. **Intake Quota:** SL-18 | NSL-5 | INTL-2 each

FACULTY OF SCIENCES

SCHOOL OF APPLIED PHYSICS

The School of Applied Physics offers two four-year undergraduate degree programs:

i. **Bachelor of Science in Applied Physics with Electronics and Instrumentation**

ii. **Bachelor of Engineering in Biomedical Engineering**

Bachelor of Science in Applied Physics with Electronics and Instrumentation

Entry Requirement: Minimum "B" grade in Physics, Advanced Maths and Chemistry. "C" grade in L&L + Total STAT-P score.

Intake Quota: SL-28 | NSL-7 | INTL-3

Bachelor of Engineering in Biomedical Engineering

Biomedical Engineering is an engineering program but is offered by the School of Applied Physics.

Entry Requirement: Minimum "B" grade in Physics, Advanced Maths, Biology, and Chemistry, "C" grade in L&L + Total STAT-P scores are required. **Intake Quota:** SL-13 | NSL-3 | INTL-1

SCHOOL OF APPLIED SCIENCE

The School of Applied Science offers two four-year undergraduate degree programs:

i. **Bachelor of Science in Applied Chemistry**

ii. **Bachelor of Science in Food Technology**

Bachelor of Science in Applied Chemistry

Entry Requirement: Minimum grades of "B" Chemistry, "B" in Maths A, "B" in L&L, "B" in Physics or Biology & Total STAT-P scores are required. **Intake Quota:** SL-20 | NSL-6 | INT-2

Bachelor of Science in Food Technology

Entry Requirement: Minimum grades of "B" Physics, "B" in Maths A, "B" in L&L, "B" in Biology or Chemistry & Total STAT-P scores are required. **Intake Quota:** SL-20 | NSL-6 | INT-2

SCHOOL OF MATHEMATICS AND COMPUTER SCIENCE

The School of Mathematics and Computer Science offers two four-year undergraduate degree program.

i. **Bachelor of Science in Computer Science**

ii. **Bachelor of Science in Applied Mathematics**

Bachelor of Science in Computer Science

Entry Requirement: Minimum grades of "B" or better in L&L or Applied English, Maths A and Physics, & Total STAT-P scores are required. **Intake Quota:** SL-27 | NSL-6 | INTL-2

Bachelor of Science in Applied Mathematics.

Entry Requirement: Minimum grades of "B" or better in Advance Mathematics, L&L or Applied English, Physics or Economics, & Total STAT-P scores are required. **Intake Quota:** SL-20 | NSL-3 | INTL-2

FACULTY OF NATURAL RESOURCES

SCHOOL OF AGRICULTURE

The School of Agriculture offers a four-year undergraduate degree

program - **Bachelor of Science in Agriculture.**

Entry Requirement: Minimum grades of "B" or better in L&L or Applied English, and Biology, "B" or better in General Maths or "C" in Advanced Maths and "C" or better, Chemistry or Physics + Total STAT-P scores are required. **Intake Quota:** SL-37 | NSL-9 | INT-4

SCHOOL OF FORESTRY

The School of Forestry offers two undergraduate programs.

i. **Bachelor of Science in Forestry**

ii. **Bachelor of Forest Management**

Bachelor of Science in Forestry program is a four year program.

Entry Requirement: Minimum grades of "B" or better in L&L, Biology, Physics, Advance Math and Chemistry + Total STAT-P scores are required. **Intake Quota:** SL-40 | NSL-5 | INTL-5

Bachelor of Forest Management program is a four year program offered at the Bulolo University College.

Entry Requirement: Minimum grades of "B" grade in L&L, "C" in Advanced Maths or "B" in General Maths and "B" in Biology and "C" in Chemistry or Applied Science or "C" in Economics or Geography & Total STAT-P scores are required. **Intake Quota:** SL-36 | NSL-15 | INTL-5

FACULTY OF HUMANITIES

SCHOOL OF BUSINESS STUDIES

The School of Business Studies offers four degree programs.

i. **Bachelor of Business in Accountancy**

ii. **Bachelor of Business in Applied Economics**

iii. **Bachelor of Business in Information Technology**

iv. **Bachelor of Business in Management**

Bachelor of Business in Accountancy program is a four-year program.

Entry Requirement: Minimum "C" in Advance Maths or "B" in General Maths, "B" in either L&L or Applied English and "B" or better in Economics and "B" in Accounting + Total STAT-P scores are required. **Intake Quota:** SL-80 | NSL-10 | INT-5

Bachelor of Business in Applied Economics program is a four-year program.

Entry Requirement: Minimum "C" in Math A or "B" in Math B + "B" in either L & L or Applied English + "B" in Economics + "B" in Business Studies + Total STAT-P scores are required. **Intake Quota:** SL-30 | NSL-10 | INT-5

Bachelor of Business in Information Technology program is a four-year program.

Entry Requirement: Minimum "C" in Math A or "B" in Math B + "B" in either L & L or Applied English + "B" in any one of the following: ICT, Economics, Accounting or Business Studies & Total STAT-P scores are required. **Intake Quota:** SL-30 | NSL-10 | INT-5

Bachelor of Business in Management program is a four-year program.

Entry Requirement: Minimum grades of "C" in Math A + "B" in Math B + "B" in either L & L or Applied English + "B" in Economics + "B" in Business Studies & Total STAT-P scores are required. **Intake Quota:** SL-30 | NSL-10 | INT-5

SCHOOL OF COMMUNICATION AND DEVELOPMENT STUDIES

The School of Communication and Development Studies offers a four-year undergraduate degree program - **Bachelor of Arts in Communication for Development.**

Entry Requirement: Minimum grades of "B" or better in L&L or Applied English, "C" or better in any one of the following: Geography, Economics, Maths B, Business Studies, History, Legal Studies or "C" grade in Maths A & Total STAT-P scores are required. **Intake Quota:** SL-30 | NSL-15 | INTL-5

FACULTY OF BUILT ENVIRONMENT

SCHOOL OF ARCHITECTURE AND CONSTRUCTION MANAGEMENT

The School of Architecture and Construction Management offers two full time degree programs.

- i. Bachelor of Architecture
- ii. Bachelor of Construction Management

The Bachelor of Architecture is a three- year degree program leading to Postgraduate Diploma in Architecture. The Bachelor of Construction Management is a four-year degree program leading to a Postgraduate Diploma in Construction Management as a pathway for the 2 years Masters Programs.

Entry Requirement: Minimum grades of "B" in Physics, "B" L&L, "B" in Maths A or Maths B & Total STAT-P scores are required.

Intake Quota for both programs: SL-20 | NSL-8 | INT-8 each.

SCHOOL OF SURVEYING AND LAND STUDIES

The School of Surveying and Lands Studies offers three undergraduate degree programs.

- i. Bachelor of Geographic Information Science
- ii. Bachelor of Surveying
- iii. Bachelor of Property Studies

Bachelor of Geographic Information Science

The Bachelor of Geography Information Science is a four-year program.

Entry Requirement: Minimum grades of "B" in English, Maths (A), Physics & either Geography. ICT, Chemistry or Biology & Total STAT-P scores are required. **Intake Quota:** SL-22 | NSL-5 | INTL-3

ii. Bachelor of Surveying

The Bachelor of Surveying is a four-year program.

Entry Requirement: Minimum grades of "B" in English, Maths (A), Physics & either Geography. ICT, Chemistry or Biology & Total STAT-P scores are required..

Intake Quota: SL-22 | NSL-5 | INTL-3

iii. Bachelor of Property Studies

The Bachelor of Property Studies is a four-year program.

Entry Requirement: Minimum grades of "B" in English (L&L, AE), Maths (B), Economics, Accounting, Legal Studies, Business Studies, Geography & History, "C" or better in Maths (A) & Total STAT-P scores are required. **Intake Quota:** SL-27 | NSL-5 | INTL-3

ALL Non-School Leavers applications received will be screened and only successful candidates will be short-listed to sit the NSL Entrance Exam. Acceptance and Admissions into your preferred program of study will depend entirely on your performance and availability of spaces.
