

# RECALL NOTICE

## CALL TO RETURN 2023 & 2024 ENGINEERING CERTIFICATES

### ATTN: PNGUoT ENGINEERING GRADUATES OF 2023 & 2024

The Papua New Guinea University of Technology (PNGUoT) hereby advises all its Graduates of 2023 and 2024 from the Faculty of Engineering about this Recall Notice.

With the accreditation of PNGUoT's five engineering programs by Engineers Australia under the Washington Accord (a prestigious international benchmark for engineering education), the university is now issuing new bachelor certificates under the new Accreditation Guideline **to all Engineering Graduates of 2023 and 2024.**

The Academic Board revoked the last Engineering Certificates issued on 5<sup>th</sup> April 2023 and 5<sup>th</sup> April 2024, respectively, and therefore will not be recognized by the University and its stakeholders.

This accreditation means your degree will now carry global recognition — but only if it is issued under the new Accreditation Guideline. The Exams Office hereby calls on all 2023 and 2024 engineering cohorts to return your engineering certificates before they can be issued new certificates under the new Accreditation Guideline.

#### RECALLING PROCESS:

- There will not be any reprints after these certificates are issued.
- New certificates will **ONLY** be issued after the old certificate is received by the Exams Office.
