Dear Mr Wiavi

RE: 2026 BOARD & LODGING RATE AT OKARI CAMPUS

This letter serves to confirm that the Board and Lodging fees at AOG Okari Conference Centre will remain unchanged for the year 2026 and provide the following:

Our rate is K8,870 which is calculated as K31.00 per day x 30 days x 9 months. The admin fee of K500 is included which is non-refundable.

We have sufficient space to take up 300 students, still with 50% males and 50% female capacity. We are making improvements in repairs and renovations to dormitories. Also will improve on catering and meals next year. We are securing the campus boundary fencing.

Our handling process and terms and conditions for student's acceptance and Board & Lodging will generally be same as this year for 2026.

Thank you again for the partnership and the opportunity to serve our premier PNG University of Technology in the provision of Students B&L services.

Yours sincerely,

Okari Conference Centre

Paul R. Kilembe

Property Manager & CEO
